This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of TelecomEZ Corporation ("TelecomEZ" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide interexchange telecommunications services in the State of South Carolina. A review of the docket file reveals that the Commission granted TelecomEZ authority to provide intrastate interexchange telecommunications services within the State of South Carolina by Order No. 2001-1121, dated December 17, 2001.

By letter dated February 6, 2004, TelecomEZ's President, Thiam Gan, requests that TelecomEZ's Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interexchange telecommunications services be cancelled. Mr. Gan advises that TelecomEZ has been unable to acquire the necessary funding to establish operations in South Carolina, and thus, TelecomEZ requests cancellation of its Certificate.

As TelecomEZ, by the its own acknowledgement, is not providing the services for which the Certificate of Public Convenience and Necessity was granted, the Commission

finds and concludes that TelecomEZ's Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interexchange telecommunications services in South Carolina authorized by Order No. 2001-1121, dated December 17, 2001, issued in the instant docket to TelecomEZ Corporation is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
